THE "PEOPLE'S" VOICE

We are a non-partisan neighborhood organization dedicated to educate and advocate for strict adherence to the Constitution and rule of law, limited government, sound fiscal policies, free enterprise, and protection of individual rights and liberties while promoting personal responsibility, morality, and religious expression.

We are proud to be an extension of the San Antonio Tea Party reaching out to our local communities.

Please join us in our effort "to restore government by and for the people" You have already made the first step by attending this event. There are many more steps that need to be taken—all the way to the Whitehouse! Please get involved and help carry the "Conservative Message".

TEA PARTY

DONT TREAD ON ME

We The People-

RECOGNIZE ...

that God grants to all people certain unalienable rights,...

that people in turn grant to governments their consent to be governed, and...

that government's role is defined by the people to preserve those rights..
